

YOUR PGL INTERNATIONAL NEWSLETTER

FEBRUARY 2026 EDITION

Welcome to the first-ever **PGL International Newsletter**. In this edition, we are sharing key news about our centre portfolio, ongoing investment, and an introduction to **PGL Beyond**, the wider group of educational travel brands we belong to.

This update is designed especially for our international partners, giving you clear, regular insight into developments that support your groups and planning. Whether you're preparing for the year ahead or simply keeping informed, we hope you find this useful.

GROWING OUR UK PORTFOLIO

We've expanded our UK portfolio with **four new centres**: Grosvenor Hall, Dearne Valley, Overstrand Hall and Green Park. We now operate in 17 centres in the UK, and 3 centres in France – offering language programmes, academic study, personal development and cultural experiences. This growth increases choice and availability for international groups and supports the high demand for residential learning experiences.

Recent investment has delivered:

- **Over 2,000 additional beds** across our UK centres
- **Increased capacity** during key travel periods
- **More programme** options for international clients
- **Upgraded facilities** to support residential learning and adventure

INTRODUCING PGL Beyond.

PGL Beyond brings together four leading brands – **PGL**, **NST**, **European Study Tours** and **StudyLink Tours**, each with a proud history of delivering exceptional experiences beyond the classroom. Together, this connected network supports learners from primary years, through to university-level educational travel.

Being part of PGL Beyond strengthens our ability to:

- Invest in our centres and programmes
- Innovate and grow sustainably
- Support our partners with greater capacity and flexibility
- Deliver high-quality learning and adventure experiences.

PGL Beyond **IMPACT** REPORT

At the end of 2025, we released our first **PGL Beyond Impact Report**. It outlines our group's progress in environmental, social and governance priorities – collectively known as **Better Beyond Adventure (BBA)**. The report highlights the steps we're taking to care for the places where we operate, champion wellbeing for young people and colleagues, and act responsibly across our organisation.

Alongside this, earlier this month, we launched our new **Breaking Down Barriers Report** developed in partnership with the Purpose Coalition – who are collectively bringing together like minded organisations who have one goal in mind – dismantling the barriers to opportunity.

We were pleased to share this moment with a number of our highly engaged stakeholders at the Houses of Parliament.

You can find out more about the day on our LinkedIn page: [PGL-Beyond](#).

A TRAVEL TIP FROM:

Frances Wilson, International Sales Support Coordinator

UK weather can change quickly in March – think sunshine one day and snow the next!

With most of our activities taking place outdoors, it's always worth checking the local forecast before travelling. Layers are your best friend: wear your warmest bits on the journey to save space in your luggage. And don't forget a waterproof coat – it's practically a British essential.

If you'd like to learn more or have topics you'd like us to cover in future editions, we'd love to hear from you. Please reach out to us at international@pgl.co.uk or contact us on WeChat via the QR code.
